Well done to Laceby Guides for photographing the plants in and around the beck. They have designed an information board which is now on display.

How can it be “that time of year” again to present the last 12 months Annual Review. Another year of fantastic events and exciting programme changes in Girl Guiding, especially with the introduction of the New Guiding Programme being revealed last September for the Rainbows, Brownies, Guides and Rangers. Special thanks should go to Hilary, Sheila and Genevieve and their training team for all the trainings they have run to support leaders with the transition.

Lizzie, Rachel, Paula & Linda aka The County Management Team have now been in post for nearly two years and have seen a vast amount of changes in a short space of time. Thank-you for the many invitations to events - between us we have tried to support as many as possible, it's always nice to meet girls and leaders.

After the introduction of the new programme, we had the Annual County meal at Gainsborough Golf Club which was a lovely setting and very well attended. Special thank you's and presentations were made at the event.

In this review various awards and qualifications have been gained, congratulations to everyone.

Thank-you to all who have held a role within a county team this year as your support in the county is appreciated. Many of these roles have come to an end during this year and we are in the process of sorting new lead volunteers.

You will see in the photographs that units have been involved in a variety of activities and events including Countryside Show at Lincolnshire Showground, Ranger camps, Guide camps, Brownie holidays, Rainbow sleepovers, Christingle services, Thinking Day Events, pantomimes, water day, quiz nights, County Training Day, trips to Skegness Aquarium, Mablethorpe, The Big Gig and London shows to name a few.

We had 2 girls from Market Rasen go the World Scout Jamboree this year, they were selected at World of Opportunities (WOO) in NEE regional selection. Jos Baldock, a leader from Gainsborough has also been selected to help grow Girlguiding as part of a GOLD 2019 project on the small island of Aruba and 4 girls from Humberston & Scotter have been chosen and are going to Gdańsk Poland for the European Jamboree 2020.

Tracey Wray has also been to Bermuda with 6 girls from NEE.

A “BIG” thank you to all our leaders, be proud of all your achievements and everything you do for the girls. With the commitment of all our dedicated members, we can produce Good Guiding and empower Girls with the skills they need for life.

Finally thank you to our County President Peggy Gregory for all her support.
